Location: Owner is a wealthy white businessman and ordered us to market his nice jet, and we are very close to him. We have viewed in in Nov. 2017.

This jet is based in Southern Africa under top Cessna Maintenance, and will be exported/ferried and imported into Europe upon a purchase closing. We will organize all. We will organize a CAA Export CofA for easier conversion to EASA or FAA.

PRICE: MAKE FAIR OFFER.

Based on ABB Blue Book and market situation we do recommend a fair price of around **USD 3,975,000** . Factory new price was US\$ 6,745,00 . Export CofA is included.

Ferry cost are extra to be negotiated, estimated around US\$35,000 .

We will assist with logistics for EASA or FAA certification, cost of conversion is not included.

"These Specifications Are Presented As Introductory Information Only. They Do Not Constitute Representations Or Warranties Of Any Kind. Accordingly, Purchaser Should Rely On Your Own Inspection of This Aircraft. The Aircraft Is Subject To Prior Sale, And/OR Removal From The Market.
